Allen Dulles Warns
Of New Concepts

ANAHEIM — The Communist use of espionage, but can strategy of establishing island not do so, as long as the Russian beachheads, effected in Cuba, Spain and Red Chinese arms in threatens to be repeated in secret in the case of the USSR Zanzibar, Cyprus and else, he said. "They are preparing where according to Allen Dulles the means of surprise nuclear les, former chief of the Central attack behind an iron Curtain Intelligence Agency. of secrecy." It was this so.

Dulles spoke before 1,000 representatives of the Insurance caused this nation to use the Company of North America at U-2 "spy" aircraft. Disneyland, Friday.

Dulles said it was the failure of our intelligence at Pearl Harbor which caused a drastic reorganization of the CIA. He also commented that "the investigation of President Kennedy's death cannot be completed until we know the outcome of the Ruby trial. We are recapitulating the dramatic events of the Cuban con-receiving full cooperation from-frontation of 1962, and co-all government agencies." He contradicted statements that the estimated the investigation CIA attempts to make policy. He asserted that all intelligence would continue another three to six months.

Continuing on the subject of beachheads, Dulles said the new island technique appears to be superseding the split-nation concept used in Germany, Korea and Viet Nam. He said information is pooled and passed on to the President, State Department and Defense Department for their use in formulating a course of action. Policy is set by the President, he said.

The former CIA chief said this country would like to avoid
